

Application for Sample Membership

The Plymouth u3a membership year runs from 1st April to 31st March, this application for is open to anyone joining us **for the first time** during our winter months 1st November and 31st March and provides an opportunity to sample the benefits of being a member of the u3a and hold a temporary membership card. When renewing for a full year's membership a lifetime membership card will be provided. Winter rate members will be able to access meetings and groups as any other member and will be sent electronic communications, including the monthly newsletter. The membership fee does not include postal communications because the cost would far exceed the fee. If a prospective member has no access to personal email a willing family member or friend can receive email or it is possible to use services provided at a local authority-run library.

During this period there are two **Membership Classes available at a discounted rate.** Please indicate which category of membership you would like, adding the relevant details as appropriate. (The associate membership fee is less because some of the cost is paid by your primary u3a to the Third Age Trust of the National Organisation, which provides a wide range of services and benefits, including liability insurance cover.)
